Activity Outline

- Background
- Vision and Mission
- Core Values
- Objectives
- Implementation Plan
- Expectations
- Benefits
- Strategic Partners

Background

- The ODFL Strategic Plan for TVTC covers a three year period from 2022 to 2025.
- The plan is a deliberate and consolidated effort of the college management and staff in full support of management Board to reposition the college in the use of sustainable inclusive TEL through ODFL.
- This development of the strategic plan was because of the capacity building which was conducted by MOTS, TEVETA and COL in partnership with UNESCO-UNEVOC aimed at improving effectiveness in leveraging ODFL through policy development and capacity building.
- In addition, focus is on increased equitable and inclusive access to quality skills development.

Vision and Mission

Vision

To be a leading provider and ODFL centre of excellence in the provision of sustainable inclusive Technology Enabled Learning in Technical and Vocational Education and Training (TEVET).

Mission

To provide excellent sustainable and inclusive ODFL through Technology Enabled Learning in response to the emerging needs of TEVET sector and industrial demands with continual improvement through innovation, creativity and research in order to cater for emerging technologies

Core Values

The college is committed to upholding the following values:

- Inclusiveness
- Sustainability
- Teamwork
- Innovation
- Creativity
- Honesty
- Customer satisfaction
- Integrity

Objective and Goals

The objective of this strategic plan is to position TVTC ODFL as a hub for industry responsive TEVET skills acquisition in the SADC region using sustainable inclusive TEL by the year 2025.

Goals

- Modern, sustainable and inclusive infrastructure to support TEL.
- Establish an ODFL centre of excellence.
- Capacity building for green skills and technology.
- Promote practices in TEL that enhance inclusivity and accessibility.
- Innovation, creativity, and research in ODFL.
- Skills development in response to market demands.
- Monitoring, evaluation and quality assurance in ODFL.

Implementation Plan

2022	2023	2024	2025
<ul style="list-style-type: none"> • ODFL Policy and Strategic Plan Developed • TEL policy developed 	<ul style="list-style-type: none"> • Sensitization SIS, LMS, D space • Blended learning for both Full Time and ODFL • Campus WiFi 	<ul style="list-style-type: none"> • TBA 	<p>TBA</p>

Expectations

- Embrace the use of technology to enhance teaching and learning
- Blended learning approach for both Full Time and ODFL
- Green TEVET
- Bring your own electronic device (smart phone, tablets, laptop)
- Use of TURNITIN (Plagiarism software)
- Research and Innovation

Benefits

- Efficiency in service delivery
- Increase access to TEVET training
- Inclusiveness
- Green TEVET
- Meet the demands of 21st century learning
- Eliminate the barriers of time and space
